- Ph balanced neutral
- Vegan friendly & cruelty free
- 100% Recyclable packaging
- 100% Made in America

Love your Body!

PLANT CELLULOSE (made from Cotton) is naturally occurring plant matter, used to create the body and thickness of the lubricant.

ALOE BARBADENSIS* (Aloe Vera) & **HIBISCUS*** are plant derived extracts, and both help heal, moisturize and sooth the skin.

CYAMOPSIS (Guar Conditioners) is a non toxic and natural additive that enables the plant cellulose fiber to move and feel incredibly slippery.

FLAX* & **ALFALFA*** are added as restorative and healing emollients, restoring elasticity to the skin.

GREEN TEA* is added as an anti-inflammatory.

CARRAGEENAN* is a natural seaweed, and one of nature's most effective lubricants. It has also been shown to help prevent transmission of HPV.

NORI* & **WAKAME*** are natural seaweeds with moisturizing and revitalizing properties.

POTASSIUM SORBATE is a natural preservative that also works as an antifungal, and helps keep unwanted bacteria and mold away, and extends the shelf life, making this a safer product for women.

Organics Oceanics Ingredients: Purified Water, Plant Cellulose (from Cotton), Aloe Barbadensis* (Aloe Vera), Natural Tocopherols (Vitamin E), Cyamopsis (Guar Conditioners), Extracts of Hibiscus*, Flax*, Alfalfa*, Green Tea*, Sunflower Seed*, Carrageenan*, Nori*, & Wakame*, Potassium Sorbate, Citric Acid (Citrus Fruits)
